Briefly explain why you are requesting out-of-district status to attend Deerfield USD #216:

I understand the following information will be reviewed including records from the school district the student is presently attending by the administration. This information may be used to **allow** or **deny** enrollment in USD #216. Enrollment may also be denied if staff, facilities, equipment and supplies are not sufficient. Seniors wishing to enroll in USD #216 must be approved within the first three weeks of the school year. Denial will terminate my out-of-district status. USD #216 reserves the right to investigate any and all information relative to the parent-guardian-student school relationship and to deny any student acceptance. The deadline for out of district student status is September 20 of each year (Employees of the district will receive special consideration concerning the September 20 deadline).

The following criteria will be used to assist in determining initial, ongoing, and annual enrollment status:

1. Attendance/Tardy record.
2. Academic records.
3. Conduct report – Including suspensions/expulsions from school.
4. Involvement in and positive support of all school activities.
5. Citizenship outside of the school system.
6. Parental cooperation with the school district to support the student's academic performance and personal behavior responsibilities.
7. Administrative consultation.

Any prior or existing disciplinary actions/restrictions implemented by other districts will be honored by Deerfield USD 216.
